INTERMISSION

This is a break during the middle of the performance. I can leave the theater to get a drink, eat a snack, or to use the bathroom.

When the break is over, the lights will flash to let me know it is time to go back to my seat to watch the rest of the performance.

END OF PERFORMANCE

If I want to leave before the end of the performance, I should be quiet so I do not disturb others.

It is best to wait and go only between selections, but that is not always possible.

LEAVING

When the performance is over, I will leave the theater.

The lobby will be crowded.

I may have to wait my turn to leave the theater and lobby.
