Academic Fun and Fitness Camp offers an exciting experience for campers with special learning needs in a structured setting. Campers gain new perspectives on learning while developing social skills, building self-esteem, playing non-competitive sports and improving basic reading and math skills. We encourage “kids to just be kids” during camp.

At this “un-school” camp, instructors and aides use systematic instruction and multi-sensory techniques (eyes, ears, touch and muscle movement) to improve campers’ basic reading and math skills. Science, theater, music and art therapy, and martial arts, and other activities encourage campers to explore the world beyond the traditional classroom. One of the many highlights of camp is the special Parent Day presentation by our campers. *The camper to staff ratio is 5:1.*

Summer Day Camps are one of the most popular programs that Akron Rotary Camp Offers. Campers enjoy traditional camp activities, while spending each night at home. Campers are organized into cabin groups according to age and ability. While at camp, campers enjoy crafts, games, nature activities, songs and so much more. Each day, weather permitting, campers will also have the opportunity to explore the excitement of Rex Lake, through activities including, swimming, canoeing, and other water games.

Day Camp includes two counselors for every six campers. Other staff include the directors, program coordinators, and nursing staff. The Akron Rotary strives to meet the individual needs of each of the campers. Staff will work with families, teachers, and other support services to help provide successful experiences. We cannot provide one on one attention to campers with additional needs without the financial support from the camper's family or other provider networks.

Therapeutic, center-based, day camp developed for preschoolers with speech and language delays. We want them to have a fun first-camp experience. Children with aggressive behaviors or with multiple disabilities can attend with support of an individual aide (additional fees apply). We want to provide a fun and interactive way to further develop their communication skills and have a better summer. Kids are engaged in a variety of activities to also improve their social, fine and gross motor skills, emotional regulation, eating, and play skills.

Camp is purposefully kept small so each child will get direct instruction from the therapist. Space is limited to a max of 6 kids per week. Staff includes: a therapist and aide to maintain ratio (3 kids to 1 adult). Reserve your child's place with a \$100 deposit and complete our easy online registration form. Camp tuition includes supplies, visual schedules, transition visual supports, and daily data collection on IEP goals. Optional services: progress report and photo album. We can bill for camp to County Boards of DD, Autism Scholarship Program, Jon Peterson Scholarship, school districts, Anthem, Aetna, SummaCare, and more. Camp Fills – Don't Delay – Register Today!!! If a third party is paying for camp and funds are confirmed, then no deposit is required.

There are five Respite Weekends during the school year for return and prospective new campers to attend. Respite Weekends are a great way for return campers to connect with summer friends as well as participate in some of their favorite summer activities. For prospective campers, Respite Weekends give campers a taste of what summer camp would be like, and a chance to meet some new friends and become acquainted with our camp program. The focus of the weekend is to enjoy the outdoors in the company of friends.

Respite Weekends are usually scheduled on weekends in January, March, May, September and November.

- Dates: July 30, 2017 – August 5, 2017

Our motto is “letting kids with cancer be kids again.” Each child is paired with an adult companion who spends 24/7 through the week with the child as their cheerleader, friend, and mentor.

Companions go through a rigorous application process, background check, and training. Each of our fun activities at camp is carefully selected to ensure that the activity encourages group interaction amongst campers and companions, and/or offer a high impact of lasting memories.

Activities include a Prom, Talent Show, inflatable, karaoke, dances, games, etc. Children with cancer ages 4-18 are welcome to attend five camps within six years of diagnosis. Two siblings ages 6-16 are allowed for the first two years if space is available. We offer year round support and activities that are free.

The “mini-SMILE Camp” for those who cannot attend a full week! Therapeutic, recreational, community-based, day camp developed for high-functioning children with various disabilities. Children with aggressive behaviors, non-verbal, or with multiple disabilities can attend with support of an individual aide (additional fees apply). We want to provide a fun and interactive way to further develop their social skills and have more summer fun. Kids are encouraged to use their skills in different settings with small group instruction. Plus they get to interact with typical peers naturally in a fun environment. A different field trip every week! Parents are responsible for dropping off and picking up their kids at the field trip locations, and packing a ready-to-eat lunch. This may include: Great Lakes Science Center, Cleveland Zoo, Fun-n-Stuff, Twinsburg Water Park, Waterworks, Jump Palace, Roseland Lanes, Zip City, and more. Camp is purposefully kept small so each child will get direct instruction from the therapist throughout the day plus has the opportunities to interact with peers.

Space is limited to a max of 6 kids per week. Staff includes: a therapist and aide to maintain ratio (3 kids to 1 adult). Reserve your child's place with a \$100 deposit and complete our easy online registration form. Camp tuition includes daily field trip costs, visual schedules, transition visual supports, social stories, and daily data collection on IEP goals. Optional services: progress report, bound social story book, and photo album. We can bill for camp to County Boards of DD, Autism Scholarship Program, Jon Peterson Scholarship, school districts, Anthem, Aetna, SummaCare, and more. If a third party is paying for camp, and funds are confirmed, then no deposit is required!

Week 5 – July 17-20, 2017 M/T/W/T Week 6 – July 24-27, 2017 M/T/W/T

This program is structured to provide students who struggle with social situations a vehicle to practice social skills within a small group setting and opportunities to generalize those skills in the community. Specific IEP goals can be addressed as well. This program is classroom based three days per week and community based one day per week. Students will receive direct instruction in appropriate social skills, time to practice skills in the classroom environment, and opportunities to demonstrate skills in the community. Instruction is focused on “learning and doing” and features real life social situations. Students will work with an Intervention Specialist and Board Certified Behavior Analyst (BCBA). Occupational therapy will be available through a partnership with ABC Therapy, and speech therapy will be available as well.

At the start of each week, the students will summarize, through group discussion, the events of the preceding week. The discussion will include identification of target skills, student perspective, teacher perspective, and other opportunities for application of skills. Throughout the week students will work cooperatively with each other through turn taking activities, small group projects, and preparation for planned outing.

Parent/Guardian involvement is crucial to the child’s social skills development and improvement. The instructor will communicate with parents at the end of each session with a daily report on student participation and behavior through a checklist. At the end of the program the Parent/Guardians will be invited to a luncheon where the students will share the skills acquired and developed during the program.

- Ages: 5-22 years – also adults
- Dates: Year round, available seven days a week, conveniently scheduled with client and tutor throughout NE Ohio.

Our specialty is helping children in all grades when they get stuck in a subject or course. We have skilled tutors for all subjects and all grades.

We also specialize in basic skills – reading and math. Our curriculum is multi-sensory and systematic. And we are known for working with children with learning differences: learning disabilities, dyslexia, ADHD, cognitive delay, Autism Asperger’s Syndrome, PDD and other struggling learners.

When students fall behind, schools and parents sometime find themselves in bitter meetings point fingers and blaming one another. Often we can help resolve these “sticky” situations with our neutral understanding of both sides of the issues. Our goal is to turn these challenges into academic successes.

Why bring North Coast Tutoring into the picture? Because we can provide answers, solutions, and tutors. We provide customized learning plans for each student.

All tutoring is done in your home or a nearby public location. We serve seven northeast Ohio counties. We are an Autism and Jon Peterson Scholarship approved Provider. And, we have many private pay clients.

We want to provide a fun and interactive way to further develop their social skills and have a better summer. Kids are encouraged to use their skills in different settings with small group instruction. Plus they get to interact with typical peers naturally in a fun environment. A different field trip every day! We begin our day at the therapy center then we transport the kids to the field trips, and come back to the center at the end of the day. This may include: Great Lakes Science Center, Cleveland Zoo, Fun-n-Stuff, Twinsburg Water Park, Waterworks, Jump Palace, horseback riding, Roseland Lanes, Zip City, and more. Camp is purposefully kept small so each child will get direct instruction from the speech therapist throughout the day plus have the opportunities to interact with peers. If you cannot attend a full week, then "Camp Suntastic" is good fit for you.

Space is limited to a max of 6 kids per week. Staff includes: a full-time speech-language therapist and camp assistant. Reserve your child's place with a \$100 deposit and complete our easy online registration form. Weekly camp tuition includes daily field trip costs, visual schedules, transition visual supports, social stories, daily data collection on IEP goals, daily communication log, and daily kid's journal. Optional services: progress report, bound social story book, and photo album. We can bill for camp to County Boards of DD, Autism Scholarship Program, Jon Peterson Scholarship, school districts, Anthem, Aetna, SummaCare, and more. Camp Fills – Don't Delay – Register Today!!! If a 3rd party is paying for camp, and funds are confirmed, then no deposit is required.
