

# MY RIDE on the **THE POLAR EXPRESS** *Train Ride*

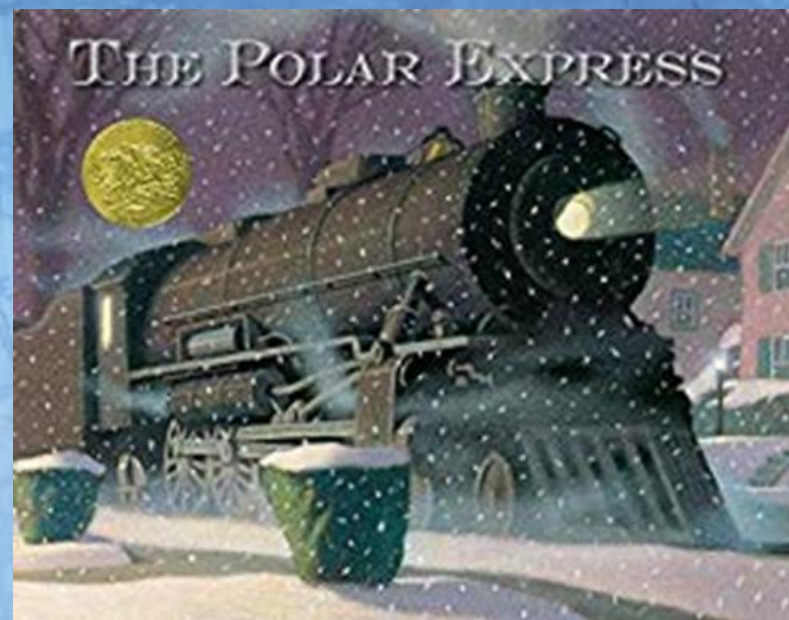

I will take a ride on the Polar Express Train. It will be a lot of fun!

I will get a ticket that tells me where to sit inside the train.

Mrs. Clause will read the Polar Express story.

I will eat cookies and drink hot chocolate.

I will see the North Pole, but I will not get off the train.  
There will be lights, decorations and lots of elves.

Santa will make a special visit to my car. I can talk to him if I want to or I can just look at him.

If I need a break, I can visit the Quiet Room. When I feel calm, I will go back to my seat on the train.

There is a bathroom on the train too! (It is a little small.)

# THE POLAR EXPRESS™

I will take the Polar Express Train back to the station. It will be time to go home. I had FUN!
