

BUILDING A FRAME FOR BEHAVIOR AT HOME

Challenging behaviors? Aggressive behaviors? Melt downs? How do we manage them?

Intended for Parents, Caregivers, Providers, Educators

Attend this workshop to:

- Get tips and techniques for avoiding and de-escalating behaviors at home with individuals of differing abilities
- Learn how to take care of you to be the best for your loved one and develop your own self-care plan
- Understand how to implement positive behavior supports that can lead to long-term behavioral changes
- Learn strategies to manage challenging behaviors during unstructured time at home like school breaks and holidays
- FREE lunch and networking with other parents
