

WAYS TO #CELEBRATEDIFFERENCES

For Companies / Organizations:

- Give each employee an #IAmMe heart and ask them to list the best gift, talent, strength or trait they bring to the company along with their name.
- Make a display to #CelebrateDifferences that make your company what it is today. Display the hearts on a wall and take a picture of your employees in front of it.
- Use the “Tech Tip” to make a wordle to say #ThisIsUs.
- Have each department make their own and #CelebrateDifferences!

For Schools:

- Give each student an #IAmMe heart and ask them to list the best gift, talent, strength or trait they bring to the classroom along with their name.
- Make a display to #CelebrateDifferences that make your class what it is today. Display the hearts on a wall and take a picture of your students in front of it.
- Use the “Tech Tip” to make a wordle to say #ThisIsUs.
- Have each classroom make their own and decorate their classroom doors to #CelebrateDifferences!

TECH TIP! Type the list of gifts, talents or traits into a word cloud generator – include duplicate words or phrases. Use [WordArt](#), [Wordclouds.com](#), [WordItOut](#), or the [Google Doc Add-On Word Cloud Generator](#) if you are a school and students have Google accounts. Download your world to share.

SHARE IT! Post your photos and/or wordles on your Facebook page – don’t forget to TAG US @GreaterAkron. Send your photos and worlds (include your company or school name) to us as we would love to #CELEBRATEOURDIFFERENCES! Email to info@autismakron.org.
