

STEP INTO AUTISM 54-DAY CHALLENGE

Towpath Pub Crawl

SATURDAY, MAY 22, 2021

There are two distance options available. The 25 mile riders will depart earlier and will meet the rest of the riders at the first pub stop. All riders will enjoy 4 stops along the towpath allowing time for drinks and socializing. Each stop will feature a special drink for our riders in addition to the full food and drink menu. We will end the ride at R. Shea Brewing Downtown and we hope you will stay and mingle with fellow riders over dinner.
