

Exceptional children include those with giftedness, dyslexia, other learning disabilities or a comorbidity. **Please join us in an Ask The Advocate presentation with Martha Orbovich. This meeting will be a unique town hall format giving you an opportunity to ask an advocate questions and get a better understanding of answers to your concerns.**

This presentation will be an open discussion with advocate Martha Orbovich with questions like:

- How and when should you ask for an evaluation?
- When are IEEs needed and how do you ask for one?
- How do I know if my child is making progress?

Feel free to email Christy Matthey with your questions prior to the meeting and Martha can answer those first.
