Memory Matching Game

Instructions: Cut out cards. Mix up and lay face down. Players take turns flipping over 2 cards. If they match, the player takes the cards. If they do not match, they are flipped back over. Player with the most cards at the end wins!

My Waiting Window

We all wait sometimes! Draw something you are waiting for.

It could be a holiday, event, person, or anything else you would be happy to see outside your window.
