

# Littles Club For Ages 0-6

Ohio Family Network Member

A Note from the Facilitator  
Theresa Maier, Support Specialist

When my son was diagnosed with Autism at 23 months, a search for support and Autism-friendly programming led me to the Autism Society of Greater Akron (ASGA). Not only did they help answer questions in the early days of my son's diagnosis, but I was also able to attend programming that helped me learn ways to support him and my family. Littles Club is a time for 0-6 year olds to socialize and enjoy fun activities together in an inclusive environment. It's a great way for both kids and parents to connect! I look forward to meeting your family and seeing you at one of our upcoming events.

If I can be of assistance finding resources, please contact me at 330.940.1441 ext 1 or via email at [Theresa@autismakron.org](mailto:Theresa@autismakron.org).
