STEP INTO
AUTISM
AUTISM SOCIETY OF GREATER AKRON

YOU HELPED RAISE \$43,500 IN STARK COUNTY!

That was a hot day, but awesome, but hot! Thank you for making my last walk in Stark County as Executive Director so special. We love spending time on the beautiful grounds of the McKinley Presidential Museum. Title Sponsor Akron Children's Hospital helped us welcome 500 people who Stepped Into Autism to benefit the Autism Society of Greater Akron (ASGA).

Thank you again to everyone who made it all possible and memorable! There are never enough words to capture the spirit of being together. While this event is our signature fundraiser, it is also a community-wide rallying day for people living the Autism journey and those who support them.

Did you visit the health corridor sponsored by Akron Children's Hospital and pick up your Vaccine Sensory Kit? How about your FirstEnergy Safety Decal? REM Ohio sponsored the Game Zone and of course, the exhibitors brought it all home with resources, information, and connections.

Thank you again for fundraising to support ASGA's programs and services throughout the year, especially our Grand Club members. We cannot do our work without your support. We are not government/health insurance/Medicaid funded. Our services and programs depend on people like you, who donate to support people on the Autism journey.

Check out page 3 for the link to the 2024 Stark County Walk Flickr album and please take a minute to fill out this year's survey to help us plan for next year!

We are already planning the 4th Stark County Step Into Autism for 2025. We hope you will join us!

You are the connection.

With gratitude,

A handwritten signature in black ink that reads "Laurie M. Cramer".
