STEP INTO
AUTISM
AUTISM SOCIETY OF GREATER AKRON

YOU HELPED RAISE \$86,000 IN SUMMIT COUNTY!

That was awesome! Thank you for making my last walk in Summit County as Executive Director so special (hopefully you didn't notice that I choked up during my remarks). We loved the new venue in Cuyahoga Falls and hope you did, too. Title Sponsor Akron Children's Hospital helped us welcome 1,000 people who Stepped Into Autism to benefit the Autism Society of Greater Akron (ASGA).

Thank you again to everyone who made it all possible and memorable! There are never enough words to capture the spirit of being together. While this event is our signature fundraiser, it is also a community-wide rallying day for people living the Autism journey and those who support them.

Did you visit the health corridor sponsored by Akron Children's Hospital and pick up your Vaccine Sensory Kit? How about your FirstEnergy Safety Decal? And REM Ohio and J.W. Didado's Game zone included a ready-made splash pad. And the exhibitors brought it all home with resources, information, and connections.

Thank you again for fundraising to support ASGA's programs and services throughout the year, especially our Grand Club members. We cannot do our work without your support. We are not government/health insurance/Medicaid funded. Our services and programs depend on people like you, who donate to support people on the Autism journey.

Check out page 3 for the link to the 2024 Summit County Walk Flickr album and please take a minute to fill out this year's survey to help us plan for next year!

We hope to see you on June 22, at the McKinley Museum, Canton, for our 3rd annual Step Into Autism-Stark County!

You are the connection.

With gratitude,
