A Parent Café is a meeting of parents, for parents, and by parents designed to create opportunities to connect, share, and learn from each other, so they are able to meet the needs of their families.

Cafés Promote Growth in the 5 Protective Factors:

- ✓ **Parental Resilience** (*how to bounce back*)
- ✓ **Child Development** (*being a parent is part natural & part learned*)
- ✓ **Social Connections** (*parents need friends, too*)
- ✓ **Social and Emotional Competence** (*parents need to help their children*)
- ✓ **Concrete Support in Times of Need** (*we all need help sometimes*)
