

Quick-Reference One-Pager: Proactive Strategies Cheat Sheet

Before Behavior:

- Visual schedules posted and reviewed
- Give clear, simple expectations
- Use pre-corrections:
 “In 2 minutes, we will...”
 “Remember, walking feet in the hall.”

During Behavior:

- Calm tone, proximity support
- Offer choices: “You can sit on the carpet or at the table.”
- Use neutral redirection: “Let’s try that again safely.”

After Behavior:

- Praise what went well
- Provide natural consequences
- Re-teach expected behavior if needed
